

## Microplanning of Saarathi Programme (Batch-12th)

Date	Lecture	Physics Topic : Current Electricity	Chemistry Topic : Hydrocarbon	Biology Topic : Evolution
1/5/2022	L-1	Resistance of a wire, Ohm's Law	Preparation of alkanes	Origin and evolution of life
1/6/2022	L-2	Combination Of Resistors	Chemical properties of alkanes	Evidences for evolution
1/7/2022	L-3	Current and voltage division rule	Isomerism in alkenes	Adaptive radiation
1/8/2022	L-4	Cell, Electrical energy and power	Chemical properties of alkenes (Part-I)	Biological evolution and mechanism of evolution
1/10/2022	L-5	Kirchhoff's law	Chemical properties of alkenes (Part-II)	Brief account of evolution
1/11/2022	L-6	Wheatstone's bridge, Meter bridge	Preparation of alkynes	Evolution of man
